NORTH WALDEN. Another Landmark Gone.

It is very gratifying to note that the dilapidated building long known as the "County Road Meeting House" has at last been demolished. A historic interest is attached to it, and we revere the memory of those who labored hard and sacrificed much to promote its sacredness and prevent Sabbath desecration, a large majority of whom are now lying in the cemetery opposite, only a few of their descendents living. The work of buildthe edifice was commenced July 1, 1843, and the raising was on the 21st of July following. Those who did the work were Enoch Foster and two sons, Merrill and Ephraim, Thomas Vincent, Timothy Ellis, Ephraim Blodgett, Samuel Currier, and Sereno Montgomery. Some of the boards were drawn from Wolcott. It was finished December 5, 1846, and the dedication took place January 1, 1847. The deed of the land was given by Timothy Haynes for the sum of \$25, and is yet in existence in a good state of preservation. It was given to the "Congregational Society to have and to hold as long as the house was set apart for the worship of God, for their proper use and benefit for said house, or any other meeting house built upon the same land." It was signed in be presence of Isaac Patterson and J. D. Bell, Isaac Patterson Justice of the Peace. For many years prior to 1890 the Methodist society here and at South Walden occupied it alternately with the same preacher and Sunday school superintendent. A small library was in existence from the beginning. Deaths and removals prevented turther use being made

of it and it has long been unoccupied. The Ladies favor painting their churches, and therefore we urge every Minister to remember we give a liberal quantity of the Longman & Martinez Paint toward the painting. Wears and covers like gold.

Don't pay \$1.20 a gallon for Linseed Oil (worth 60 cents) which you do when you buy other paints in a can with a paint label on it. 8 & 6 make 14, therefore when you want 14 gallons of paint, buy only eight

of L. & M. and mix six gallons pure Lin-

ceed Oil with it, and thus get paint at

less than \$1.20 per gallon. Many houses are well painted with four gallous of L. &. M. and three gallons of Linseed Oil mixed therewith. These Celebrated paints are sold by Flint Bros.
